My mother and I had alot of good memories. We had RV trailers right next to each other And we would have a big group of us that would get together and play cards usually in my Screenhouse. We had a lot of good memories Out at the campground. We had a family cabin up north on a lake up north that we would always go to for a couple weeks every summer. My mom was a Spitfire and she would definitely let you know where are you stood with her. She was one of the strongest women I've ever known. My mom and I talked a lot on the phone sometimes as many as four times a day. I love you mom and will definitely miss you. Life is definitely going to be different without you here. Rest in heaven mom
