I will miss RANDY....And all of the Great memories....we have shared.....I knew him since June of 1981.....I had spent 11 New Years Eve...moments....with him, and Nancy.... I distinctly remember setting up his 45th birthday party....with Nancy...in March of 1990.....That is just one of the many....Great times we shared.....As Randy told me.....on our last visit...I always loved you.... And that's what I feel for him.....

Bertha lit a candle in honor of Earl.

Mr.Earl Partin was a kind and friendly person .He would sit and tell me stories of his child hood when I went to visit my daughter and grandkids who is recently married to Earl's son . He accepted my daughter and grandchildren like they were his blood grandchildren.
