Dear Bev and family, I was so sorry to hear that Harold has moved on, may he rest in peace. I have so many fond memories of when you would all come to Bloomington to see your Mom. Harold was always so nice and fun to be around, as you all were. My thoughts and prayers are with you all, such a big family, you guys are truly blessed. You have had a nice long time together, with so much love. With Love, Nancy

First of all, I think everyone will agree that Harold and Beverly being married for 62 years is a beautiful story in itself. Worthy of a salute. Also, I would like to note that The Great Lakes National Cemetery in Holly, where Harold will rest, is a VERY fine setting. I know because my mother and father are buried there. Everything about the place makes you proud to be an American. R.I.P., Harold. You've earned it. -- Mark T.

Your Dad Harold was always so Happy pleasant talkative when he was at the Brook!! He would always come up to the counter and not just say hello but have a nice conversation. Remember he will never be far away. All of our prayers to your family and to Harold. Gods speed to him!! I am saddened that I will not be able to make the service. I am spending some time with my mom (93) in Nevada. But know that my thoughts and prayers are with you.
