To Dennis's family, we are so sorry for your loss. He was such a kind man and great neighbor. He welcomed our family with open arms when we moved on to Couzens Ave., He and Carla were beyond welcoming and loving when we had our first baby. Dennis always left matchbox cars on the porch for my boys or fixed up a gadget for them to play with. He loved all the kids on our street and he made them feel loved. The boys loved visiting with him and Bo, I can still hear him calling for Bo. I know he loved that big ol dog very much. Dennis was a sweet, kind man. He will be greatly missed by all. Rest in peace Dennis! God has you now!!

Dennis was my neighbor and a favorite of my grandchildren. Dennis usually had something he wanted to share with them, games or toys, and they loved playing with Bo. My grandchildren moved but when they come to visit, they always ask about Dennis. I am so grateful for the connection they made with him and his kindness towards them will remain always.

When Dennis & Carla started dating, our parents thought them too young so they were stuck with 2 kids as their chaperones- I don't know exactly what sticks out most in my mind, whether he was driving out to the farm in Westbranch for the day ...He'd drive fast & do fish-tails through those empty country roads, making us laugh & squeal. There are many pleasant memories in my childhood that include Dennis Crandell. As a young adult I lived with them for a while and sometimes at night we would gather & Dennis would play the guitar & sing country songs (he was pretty good at both) There really are many good memories and some not so good of course but that's life. It seems impossible to attempt to sum up feelings, memories, highs & lows of 54 years in this little box but Dennis will be thought of and missed in this world.
