To The Marchesi Family,I want to say, on behalf of the Kwapis Family, that we are so sorry to hear of your mother's passing. She was, along with your whole family, a big part of our lives growing up on Herbert Street.Your mother was a woman of many talents some of which she passed on to me. She taught me how to knit as part of a project with the Girl Scouts. I can still knit today many thanks to her. She also passed on some of her beautiful plants to me when I moved into my new house that was a little sparse. I am happy to say some 30 years later, those plants are still alive and doing well!! know my mom enjoyed spending time with your mom, especially their many talks on the front porch. There was a lot of laughter, good times; and many, many stories shared on that porch.We are thinking of all of you and keeping you in our thoughts and prayers.Jeannie Kwapis

Melita & Paolo lit a candle in honor of Edda.

Dear John (and Cathy), Paolo and I are sending you (and your large Italian "famiglia") our love and support from "across the pond" as you face the challenge of mourning the loss and celebrating the life of your dear mother, Edda. While I did get to meet your fabulous father, Frank, I never got the chance to meet Signora Edda. But her memory lives through the stories you've told over the years. She was one tough cookie! May she now be at peace with your father (and HER large Italian "famiglia") in heaven. Baci e abbracci, Melita

To the Marchesi Family, We're truly sorry to hear the sad news about your beautiful mother, Edda. She was an amazing woman who will be dearly missed by everyone who was fortunate enough to know her. I have many fond memories of your mother, including the evening walks your mom and my mom would take in the summer when I was a kid, and joining them in the hopes that they would stop at the dairy queen a few blocks away for ice cream; checking out the weekend garage sales for great deals and antiques; and, despite taking a home economics class in high school, it was your mother who taught me how to use the sewing machine and helped me with several sewing projects (which helped me pass the class!). Please know that you are in our thoughts and prayers during this difficult time. May God grant you comfort and peace. With Sympathy and Love, Vira (Lechniak) Conley & Family
