Yvonne loved her boys so much. She would take them to cider mills and yearly trips to Kentucky. Sean continued the traditions of making the yearly trips, but started new ones as well by adding beach trips. She especially loved Stoney, as it was her favorite. She enjoyed trying Brantly’s recipes he would create and sometimes put twists on familiar ones, but she loved his BBQ most of all.

“Momma was upbeat, nothing could keep her down long. She might not have gotten along with everyone but she would talk with you and swap stories. Kentucky is Mom’s home, she always said it’s our family history.”

Yvonne was a 2nd mom to me. She lived 10 houses down the street from us. She was always down at our house. Helping my mom with my brother and I. My mom and Yvonne met in the 7th grade and became best friends. I remember Yvonne taking us to Greenfield Village. And once my mom was being hard on my brother and I. And Yvonne kept telling her to stop. Well Yvonne decided to go to the fridge and get the can of whip cream and started a whip cream fight in the house. I have so many great memories of Yvonne. She was a great loving person. She also started my love for Snoopy when I was a infant. She was a huge part of my life. And I was so blessed to have her in my life and a 2nd mom.

What a beautiful tribute to a sweetheart of a lady. Yvonne had a great sense of humor and always made me laugh when I was around her. She watched over my house for almost 10 years, and watched as I ran back into the house almost every day because I forgot something. She would tease me about it often. She had a beautiful acolyte and she loved her boys and grandchildren.♡She will be very sorely missed by all. Sending my love, light and prayers to Sean, Brantley and the rest of your family. ♡Rest in heaven, Yvonne.♡

Our Deepest Sympathies to Brantly and Sean. Your Mom was a truly lovely woman and although life took our paths on different directions when we did meet it was like a picking up where we left off. She had a huge heart for everyone and a smile that would warm your heart. She would hide her health issues by creating some humor or just loving her grandchildren with all she had inside her along with loving the both of you. God Bless you both, She is with you in your hearts forever. Bob & Judy Stevens.
