I worked at Binson's Medical Supplies where Aunto Bootsie was a regular customer! One day I walked into the showroom to find a group of employees in a circle and laughing hysterically! I walked over to find Aunt Bootsie and Spanky in the middle of the circle, telling a story how that morning Aunt Bootsie was taking her pills, and one of them she was unable to swallow. She kept trying, taking it with more and more water but still couldn't get it to go down. After Spanky investigated, it wasn't a pill but a suppository! She was the best and will be greatly missed!

Aunt Bootsie, You took me everywhere as a kid and even a teen and I loved it. Of course, some of those adventures were pretty life- threatening, like driving onto an airstrip while planes were taking off. But, you cackled all the way! Then the trips to Nebraska, and allowing me to believe Uncle Dean's brothers without warning me first, was a big surprise then, but lots of laughs today. You and Uncle Dean were meant for each other and I will greatly miss you both. Know that I love you then, now and forever. Susan
