This was all a shock to me I thought I would go before you. Well we talked about doing the Three Stooges marathon together. I bought it on Apple TV but we never got a chance. Maybe I'll watch it by myself and I'll hear you laugh. If people think this is not appropriate, sorry but if you knew Pat, you understand

So sorry to hear Patrick has passed. Our sincere condolences to Erin, Brayden and the rest of his family. Patrick always has a smile and a wave for us whenever we saw him, which was usually when he headed to Rosie's Park to take Louie for a walk. He was a kind soul and a great neighbor. We will miss him. Sincerely, Mike and Sue Malolepszy

Pat's passing is very hard for the Gumbetter family. Pat had the kindest soul and nice to everyone. He was my brother in law. I loved him, always will to help his family. I know he's with God and smiling down at us. You left a hole in our hearts ❤️
