You always made me laugh, you were always so much fun to be around, you had a way that you could always light up a room! I don't have as many memories as others that were closer to you, but the ones I have will last a lifetime. God bless you Mary! Rest in peace my friend

My beautiful friend, We shared so much together. I just want to say you my friend had the biggest heart! You were the most generous and giving person I have ever known. Always giving your all to others. The way you loved your family, friends, my children, your animals, but most of all the way you loved your mother! Even at your lowest you loved! You were a shining star in this dark world and I love you! Until we meet again my friend

Aunt Mary was one of my most favorite people ever! We had a very special bond ever since I was a baby, she was like 2nd Mother to me. Some of my most childhood memories were with Mary. I remember cruising down the streets in her Red Corvette, with the top down, blaring Mariah Carey, Fantasy. Laughing and having the best days ever. I hope she is resting in peace. You will be missed! ♥

It can be tough to put into words the feelings and memories we want to express."Mary, I'm struggling to find the words to express how much you'll be missed. I'm thinking of all the amazing adventures we shared, the laughter, and the memories that will stay with me forever. You had a way of finding me, no matter what, and that meant the world to me. I'll carry you in my heart always." Love you Mary..

My favorite and most funny moment is when she had that damn tarantula and used to scare the crap out of us. I love you and I'll miss you, Mary.
