“ *The pain that we’re feeling is indescribable, you were always there for Jack and I and our family, you were just like a sister to me, my family in the south are grieving for you, they all loved you, If I ever needed anything all I had to do was call you and you came, I promised you that I would take care of your brother and I will do that until my last breath, you worried so much about him, The pain of not being with you when you passed overwhelms us, we will miss you deeply Bev, we’ll reunite in heaven and it will be glorious, please hug all our loved ones , you were a true Christian and I’ll miss going to church with you and honoring our lord*❤❤❤

“ *My Aunt Bev was the kindest, most gentle soul and was there for everyone! She was a devoted, caring and loving aunt, sister and daughter. She took care of her parents until their passing for years. She was a fin aunt who took her nieces and nephews to so many cool things growing up: Movies (Star Wars, Christmas Story), Detroit Science Center, Detroit theatre for puppet shows, Metroparks and the beach, rock concerts (Madonna, AC/DC!), and thankfully many years of church services! She never missed sending birthday cards or Christmas cards. She helped me so much with babysitting my son when in nursing school and was everyone’s housesitter and pet sitter. She never had an unkind thing to say. When my dad had his stroke she was so supportive and helpful and was cheering for him as he started to take steps again. She left me handwritten verses in my Bible over the years for me to find later, knowing the verses would always help. She always wore the sweaters that I gave her for presents - sometimes even 20 years later. Always thinking of others. You are now in Heaven with nana, grandpa, Aunt Carol, Tammy, Kim and Jackie. Thank you for your sign of arrival to Heaven. I will miss you so much!*
