“ We are so sorry to hear of the passing of Aunt Joyce. She was a wonderful woman and we feel blessed to have known her. We know how much she loved her family and how much you all love her. We hope you will be blessed with comfort and peace in your times of sorrow and grief as you mourn her passing. We are comforted to know she is with loved ones still and hope that will bring you comfort as well. Love and our deepest condolences, Carmen and Jerry Hinds

“ I am so sorry for your loss. I was just recently getting to know her after my dad had passed away. She and my dad were close. I found cards all over his house from her, it was sweet. So, I got in touch with her and we were sending cards and had talked on the phone a few times. I almost fell over when she left me a message, she sounded exactly like my grandma (her sister, Ara). She was a real sweetheart and I am sure she will be missed by all that loved her.
