Comments

“ Remember your dad by the things that he did to show you he cared. The sound of his voice. The wisdom he shared or a piece of advice you'll never forget. The way he lived, examples he set. The places he'd been and the stories he'd tell. The things that he was proud of. His hobbies, his passions, and his laughter. When you think of your dad, and everything that made him the man he was, his memory lives on through all of you!!! Always remember your father's love is a legacy that will be a cherished part of you always. With our love and deepest heartfelt sympathy, Bernie, Roz, Brian, Vanessa, Noah, Jason, Kevin, Jennifer, Harper, Leo, Ivy, and Loren.
