“ We will miss you Grandma Walker, your smile would light up a room, you was the kindest, sweetest, loving grandmother a person could ever have! I am blessed that you were my grandmother And great grandmother to our son. Even though miles apart, we stayed connected through letters, cards, phone calls , and visits! We find peace and comfort in knowing you are in your Heavenly Home now with Grandpa Walker and the Lord . Who you loved and served everyday of your life. We love you and miss you, Mike, Joyce, Jacob Walker

“ Don and Karen and family. I'm sorry for your loss. Grandma Walker was a loving, happy person. She treated us with love, respect, and always a warm smile. I'm sure she is enjoying being with Grandpa Walker, and her Lord. I will keep you all in my prayers. I was so lucky to have her in our life, and will never forget her or Grandpa Walker. So happy they are finely together again.

“ She has always held a special place in my heart. Growing up she was the fun grandmother who loved playing croquet, just watch out when she knocks your ball across the yard, or playing scrabble, always made up words, or a champ at yahtze. Always fun times and laughter with her. That's what I remember most of her is her laughter. Will miss you grandma (memaw) and sure we will find each other again in heaven and play some more games together.
